# S2 Recovery Tools For Microsoft Excel (formerly Excel Recovery) Crack Free License Key

[Download](#)

## **S2 Recovery Tools For Microsoft Excel (formerly Excel Recovery) Crack+ Free Download**

S2 Recovery Tools for Excel is a handy and reliable program designed to repair corrupt Excel documents via numerous methods. When an Excel file is corrupt, consequences range from not being able to view all of its contents to not being able to open it at all. This type of scenarios have quick resolutions such as S2 Recovery Tools for Excel that will help you recover parts or the whole document for that matter. It includes various repair methods, which might prove of great assistance if used properly. At least one, if not all of them, is bound to carry out a favorable outcome. The application is presented inside a simple design, with dark colors for the background of the main window, while the fixes are neatly presented inside a list and are characterized by bright icons, so you can spot them easier. First and foremost, you are required to load the corrupt XLS or XLSX file, after which you can explore all of the repairs and experiment with each of them in order to get the best results. An advantage of the software is that as soon as you've loaded the corrupt file, it automatically searches for temporary or deleted copies of it through your computer in order to locate a functional version. If it can't find any, a message is displayed accordingly. You can save the contents of the corrupt document as SYLK and HTML files, open it in Safe Mode or with Microsoft Word, as well as to launch it with Microsoft's Excel Viewer or to extract data from it. Alternatively, you can try to salvage the charts inside the document or to restore it from an existing backup. All in all, S2 Recovery Tools for Excel seems like a good alternative to manually searching for means to repair Excel files. It provides a lot of fixes in this respect, but many of them have ambiguous names that confuse the user. S2 Recovery Tools for Excel (formerly Excel Recovery) S2 Recovery Tools for Excel is a handy and reliable program designed to repair corrupt Excel documents via numerous methods.
